

8 ideas for your child's first month at college.

1. Pray holistically for your child.
2. Trust your parenting.
3. Trust your child.
4. Ask as few probing questions as possible.
5. Send care packages and notes.
6. Be OK when they don't text back.
7. Keep a list of things to talk with them about.
8. Avoid triangulating with their siblings.
