

Fuller Youth Institute's STICKY FAITH COHORT

March 8-10, 2017 & October 25-27, 2017

OVERVIEW

Research shows that almost half of graduating high school seniors struggle deeply with their faith. Recognizing the ramifications of that statistic, the Fuller Youth Institute (FYI) conducted the College Transition Project to identify the relationships and best practices that can set children and teenagers on a trajectory of lifelong faith and service.

Based on FYI findings, the Sticky Faith Cohort is designed to help you think, strategize, innovate, and implement a youth ministry that leads students toward a long-term, transformative relationship with God. Outfitted with research-based materials, expert-led training, and personalized coaching, the cohort experience is a one-year investment for decades of impact.
